MINUTES**

Meeting of the Advisory Committee began at 1:48pm. They discussed the grant proposal for Guerrette. He explained he paid about \$125,000 in 1099's in 2018 to fabricate equipment since he did not have a facility to do it himself. This work was done by non-local contractors. If he had a building, he could create jobs in the area and they could fabricate the equipment themselves. For three years he's been providing pipe fitting and welding services to Twin Rivers Paper, Irving and Valmet. He has 4 full time employees and about 8 part time employees currently. Advisory Committee: Jean Paul Cyr, Nicole Chamberland, missing were Theresa Ouellette, Julie Hayes, Mark Dumond
